Fund: Public Instruction (0325-00)

Sources: Fund revenue is from fees assessed on school districts and other agencies participating in state-level training sessions, educational programs, and the surplus food commodity program.

Additionally, the State Board of Education is authorized to set a fee not to exceed \$35 for teaching certificates issued in the state (§33-1205), and \$15 for each revision to a certificate. The fees are deposited into this fund. A \$40 fingerprint registration fee is also collected.

This fund also receives auction proceeds from surplus property and General Equivalency Diploma (G.E.D.) fees.

Uses: Fund expenditures are for the costs of operating state-level training sessions and educational programs, and for storage, processing and distribution of food commodities.

Teaching certificate fees are used by the Professional Standards Commission for payment of reasonable expenses in performing duties and responsibilities and to partially defray the cost of the Office of Certification. Of the \$40 collected for the fingerprints program, \$6 runs the program in the agency, and \$34 is suspended in 0349 for DOLE.

In addition, auction proceeds are used for equipment-related costs and G.E.D. fee revenue is used to partially defray the cost of administering the G.E.D. program.

The Department of Education has no spending authority for these funds. Funds are suspended as they come in and transferred out based on the dollar amount of the invoice.

The current Albertson Foundation grants include the final expenditures of the technology initiative (\$28,000,000 for computer equipment, software and training, and \$325,000 for administration of the program), as well as the High Performance Schools initiative.
